

Public Advertisement Notice:
Request for Storm Response Vendors & Contractors (2026)

Notice to Qualified Vendors and Contractors: We are soliciting qualified firms to provide storm and emergency response services in support of potential 2026 weather events. Interested parties are invited to submit company qualifications and storm/event rate sheets for evaluation and possible inclusion in our storm response vendor roster.

Scope of Services

Vendors/contractors are requested to provide one or more of the following storm response capabilities:

- Damage Assessments
- Transmission
- Distribution
- Right-of-Way Clearing
- Debris Removal

Vendor Requirements

Please provide your storm/event pricing, including:

Labor for Services Provided*(*Please note that Labor Categories/Titles listed on the rate sheet must match those Categories/Titles that will be shown on your invoices)*

- Regular, overtime, and emergency rates
- Any minimum hour requirements

Equipment (if applicable) *(*Please note that the Equipment Name(s)/Title(s) listed on the rate sheet must match the Equipment Name(s)/Title(s) that will be shown on your invoices)*

- Hourly, daily, and/or weekly rates
- Operator inclusion/exclusion

Other Costs

- Mobilization and demobilization fees
- Standby rates
- Materials pricing (if applicable)

Operational Details

- Estimated response time after notice to proceed.
- Geographic coverage area
- Rate validity period (e.g., hurricane season or calendar year)

Required Documentation

Please include the following with your submission:

- Current insurance certificates
- Applicable licenses or certifications
 - State contract licenses*****
- Confirmation that your firm is not suspended or debarred from federal contracting.

Submission Instructions

Please submit the following for consideration:

- 2026 storm/event rate sheet(s) (labor, equipment, materials/consumables, minimums, after-hours/holiday rates, mobilization/demobilization, and any standby/on-call fees).
- Company profile and qualifications, including storm response experience and primary service areas.
- Equipment and staffing availability, including surge capacity and typical mobilization timelines.
- Proof of insurance and applicable licenses/certifications.
- Primary and emergency contacts (name, phone, email) for dispatch/after-hours response.
- Any applicable terms and conditions (e.g., invoicing, payment terms, documentation requirements).
- Vendors interested in submitting a quote should email Sylacauga_2026DRR@royal.us to request the bid form.
